5:13 PM **Caleb**: Holy shit.
KMFA.
You know how long it's been since I've been allowed to enjoy KMFA?

5 minutes

5:19 PM **Caleb**: And apparently they're doing a pledge drive.
Good grief.

6 minutes

5:26 PM **me**: I don't believe it
5:29 PM **Caleb**: Just my luck.
It's as guaranteed as picking the one shopping cart that has the gimpy wheel.
5:30 PM So, instead of KMFA, I'm sitting in the KETK newsroom, watching the Reinhold Niebuhr interview that Andrew Sullivan posted.
5:34 PM **me**: lol Sullivan
also lol Reinhold Neibuhr
fucking mediocrity
5:35 PM **Caleb**: Yeah, it's not really earth-shattering.
I expected something a little more challenging.
From Mike Wallace, at least.
5:36 PM At the very least, it's probably the first and last time Reinhold Neibuhr will have an audience in a Tyler, Texas, newsroom.
me: that's so ironic
